Cooking Steps

Paneer Butter Masala · 30 mins

5 easy steps — Step 1 of 5

1. **Prepare ingredients**

Chop onions, puree tomatoes and keep paneer cubes ready.

2. **Sauté onions**

Heat butter in a pan and sauté onions until golden brown.

3. **Add spices**

Add ginger-garlic paste and cook for 2 minutes. Add tomato puree and spices.

4. **Add paneer**

Add paneer cubes and cook for 5–7 minutes on medium flame.

5. **Finish & serve**

Garnish with cream and coriander. Serve hot with naan or rice.

Pro tip

For a richer taste, add fresh cream at the end and simmer for 2 minutes.

Priya Sharma

Working Professional | Health-conscious

> I want to stay fit and energized, even with my busy schedule.

AGE
28 years

OCCUPATION
Product designer

LOCATION
Mumbai, Maharashtra

LIFESTYLE
Works 9–6, prefers home workouts

ROUTINE
Mix of home workouts and yoga

ABOUT

Priya is a working professional who wants to maintain a healthy lifestyle despite a busy work schedule. She prefers flexible workout options, enjoys yoga and strength training, and values mental well-being as much as physical fitness.

GOALS & MOTIVATIONS

- Stay fit and active
- Manage weight and build strength
- Reduce stress and improve well-being
- Follow flexible workout plans
- Balance work, fitness and personal time

FRUSTRATIONS / PAIN POINTS

- Hard to find gym time around work
- Gets bored with repetitive workouts
- Struggles to keep a routine through busy weeks
- Too much information can feel overwhelming
- Needs clear form guidance and beginner-friendly routines

TECHNOLOGY USAGE

Smartphone	High
Fitness apps	Medium
Wearables	Medium
Social media	High

PREFERRED FEATURES

- Flexible workouts
- Yoga & wellness
- Progress tracking
- Reminders & notifications

Arjun Patil

College Student | Fitness Enthusiast (Beginner)

> I want to be consistent with my workouts and see real progress.

AGE
21 years

EDUCATION
B.Tech (AI & DS)

LOCATION
Pune, Maharashtra

LIFESTYLE
Student, lives in hostel

ROUTINE
Recently started strength training

ABOUT

Arjun is a second-year engineering student who recently started going to the gym. He wants to build muscle and improve his fitness, but balancing workouts with a busy academic schedule makes consistency difficult.

GOALS & MOTIVATIONS

- Build a lean, healthy physique
- Develop a consistent workout routine
- Track weight and strength progress
- Get beginner-friendly workout and diet guidance
- Stay motivated as results build

FRUSTRATIONS / PAIN POINTS

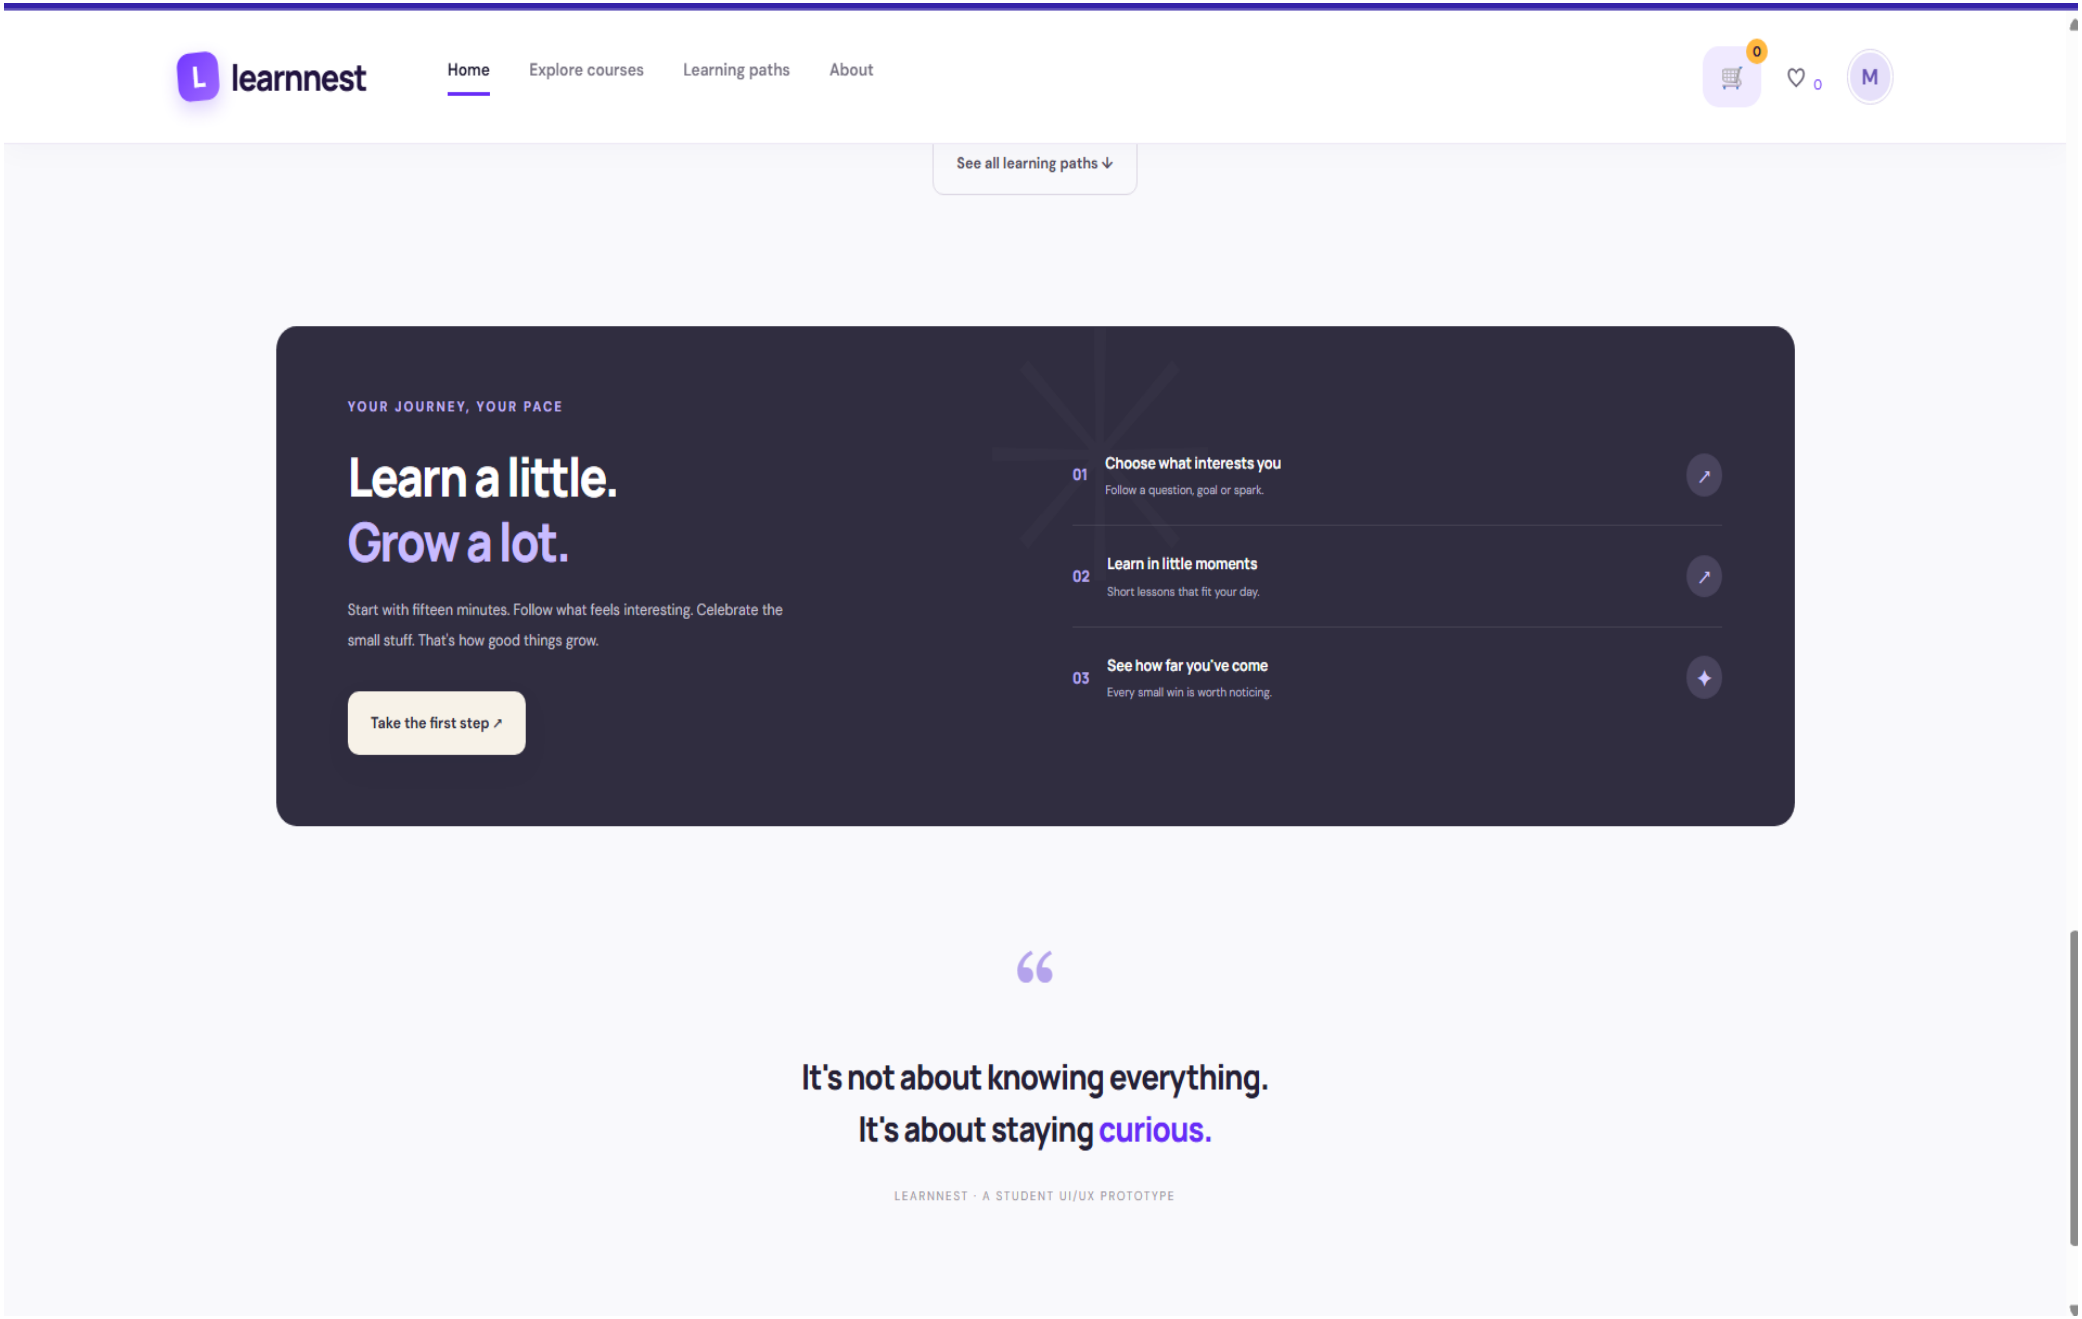

- Limited time due to classes and assignments
- Frequently misses planned workout days
- Unsure about exercise form and technique
- Manual progress tracking feels tedious
- Feels discouraged when results take time

TECHNOLOGY USAGE

Smartphone	High
Fitness apps	Medium
Wearables	Low
Social media	High

PREFERRED FEATURES

- Workout tracking
- Personalized plans
- Progress analytics
- Community support
